DOGGIE STATION SPONSORSHIP

Help keep Owensville parks clean for children to play, people to walk and families to enjoy leisure time together. Sponsors will have a small sign posted on the doggie waste station to notify everyone who made the station possible! Use this

as an opportunity to advertise a business, provide a gift to the park, celebrate a furry-baby, memorialize the passing of a beloved family pet, etc. A \$250 contribution will include a new station install, bags, custom sign and two-year sponsorship. Sponsors will have choice of one-year renewal sponsorship for \$60 at the close of the second year.
